

TERMS AND CONDITIONS

Part 1 Insuring Clause and The Policy

Insuring Clause

These Terms and Conditions together with the Benefit Schedule (including the Schedule of Surgical Procedures) and any related Supplement(s) as certified by the Government (hereafter “Terms and Benefits”) apply to the following Certified Plan under the Voluntary Health Insurance Scheme (hereafter “VHIS”) offered by the Company –

Type of the Certified Plan -	Flexi Plan
Name of the Certified Plan -	Taiping Life VHIS Priority Plan

During the period of time these Terms and Benefits are in force, if the Insured Person suffers from a Disability, the Company shall pay the Eligible Expenses accordingly.

All benefits payable to the Policy Holder shall be on a reimbursement basis of the actual amounts of Eligible Expenses incurred and are subject to the maximum limits and cost-sharing arrangement (if any) as stated in these Terms and Benefits and the Policy Schedule.

The Policy

The Policy Holder and the Company agree that –

1. No alteration to these Terms and Benefits shall be valid unless it is made in accordance with these Terms and Conditions.
2. All statements made by or for the Insured Person in the Application shall be treated as representations and not warranties.
3. All information provided and all statements made by or for the Insured Person as required under this Policy and the Application shall be provided to the best of his knowledge and in his utmost good faith.
4. These Terms and Benefits come into force on the Policy Effective Date as specified in the Policy Schedule on the condition that the Policy Holder has paid the first premium in full.
5. At the inception of these Terms and Benefits and at each Renewal, in the event of any inconsistency between –
 - (a) the terms and benefits of this Policy; and
 - (b) the Standard Plan Terms and Benefits of such version as may be determined by the Government and is referred to in Sections 1 (a) to (c) of Part 4,

then –

- (i) so far as the scope of Standard Plan Terms and Benefits is concerned, the terms and benefits which are more favourable to the Policy Holder or the Insured Person shall prevail to the extent of such inconsistency; and
- (ii) so far as the scope of Standard Plan Terms and Benefits is concerned, the terms and benefits

which impose additional restrictions or limitations to the Policy Holder or the Insured Person shall become ineffective.

Both (i) and (ii) shall not apply to the exceptions in Section 7 of this Part 1, Sections 1(b) and 5 of Part 6 and any other exception as may be approved by the Government from time to time.

If the relevant terms and benefits in the Standard Plan Terms and Benefits prevail, such terms and benefits shall be deemed to be incorporated into these terms and benefits of this Policy. For the avoidance of doubt, the rights, powers, benefits or entitlements of the Policy Holder or the Insured Person under the terms and benefits of this Policy shall not be less favourable than those under the Standard Plan Terms and Benefits (had it been issued to the Policy Holder in respect of the Insured Person), save for the exceptions in Section 7 of this Part 1, Sections 1(b) and 5 of Part 6 and any other exception as may be approved by the Government from time to time.

6. At the inception of these Terms and Benefits and at each Renewal, if this Policy covers any benefits that exceed the Standard Plan Terms and Benefits and the terms and benefits applicable to such benefits differ from the terms and benefits applicable to the Standard Plan Terms and Benefits, the difference shall not amount to an inconsistency contemplated under Section 5 of this Part 1.
7. At the time these Terms and Benefits are first issued, the Company may apply Case-based Exclusion(s) due to a Pre-existing Condition or other factor that affects the insurability of the Insured Person notified to the Company in the Application.
8. The Company acknowledges that, as part of the underwriting process, it is the obligation of the Company to ask the Policy Holder and the Insured Person in the Application all requisite information for the Company to make the underwriting decision. If the Company requires the Policy Holder and/or the Insured Person to disclose any updates of or changes to such requisite information after the time of submission of Application and before the Policy Issuance Date or the Policy Effective Date (whichever is the earlier), the Company must make such a request prominently to the Policy Holder and the Insured Person (including without limitation in the application form), in which case the Policy Holder and/or the Insured Person shall have the obligation to inform the Company on such updates and changes. Each of the Policy Holder and the Insured Person shall have the obligation to respond to the questions, and to disclose such material facts as requested in the questions. The Company agrees that if any such questions are not included in the Application, the Company shall be deemed to have waived the disclosure obligation of the Policy Holder and the Insured Person in respect of the information that was not requested.
9. All questions and required information included in the Application must be sufficiently specific and unambiguous, and consistent with the rules and regulations of the VHIS, so as to allow the Policy Holder and the Insured Person (as the case may be) to understand the information being requested and to provide clear and unequivocal responses. In case of dispute, the burden of proving that the questions are sufficiently specific and unambiguous shall rest with the Company.
10. If the Policy Holder or the Insured Person fails to make the relevant disclosures under Section 8 or 9 of this Part 1, and such failure has materially affected the underwriting decision of the Company, the Company shall have the right as provided in Sections 13 and 14 of Part 2.

Part 2 General Conditions

1. Interpretation

- (a) Throughout these Terms and Benefits, where the context so requires, words embodying the masculine gender shall include the feminine gender, and words indicating the singular case shall include the plural and vice-versa.
- (b) Headings are for convenience only and shall not affect the interpretation of these Terms and Benefits.
- (c) A time of day is a reference to the time in Hong Kong.
- (d) Unless otherwise defined, capitalised terms used in these Terms and Benefits shall have the meanings ascribed to them under Part 8.

These Terms and Benefits have been prepared in both English and Chinese. Both English and Chinese versions are official versions and neither one shall prevail over the other. Any inconsistency shall be interpreted in favour of the Policy Holder.

So far as the same benefit coverage is concerned, any inconsistency in terms and amounts of benefits within this Policy shall be interpreted in favour of the Policy Holder and any restrictions or limitations imposed on these Terms and Benefits shall become ineffective, save for the exceptions in Section 7 of this Part 1, Sections 1(b) and 5 of Part 6 and any other exception as may be approved by the Government from time to time.

2. Cancellation within cooling-off period

The Policy Holder may exercise the right of cancellation of these Terms and Benefits with full refund of paid premium during the cooling-off period. The cancellation right is subject to the following conditions –

- (a) the request to cancel must be signed by the Policy Holder and received directly by the Company within the cooling-off period. The cooling-off period is the period of twenty-one (21) days immediately following the day of the Delivery to the Policy Holder or the nominated representative of the Policy Holder, of –
 - (i) these Terms and Benefits and the Policy Schedule; or
 - (ii) the cooling-off notice;

whichever is the earlier. For the avoidance of doubt, the day of Delivery of these Terms and Benefits and the Policy Schedule or the cooling-off notice is not included for the calculation of the twenty-one (21) day period. However, if the last day of the twenty-one (21) day period is not a working day, the period shall include the next working day; and

- (b) no refund can be made if a benefit payment has been made, is to be made or impending.

The above cancellation right shall not apply at Renewal.

To exercise this cancellation right, the Policy Holder must –

- (c) return the original of these Terms and Benefits and the Policy Schedule; and
- (d) attach a letter, signed by the Policy Holder, requesting cancellation or in other forms acceptable by the Company.

These Terms and Benefits shall then be cancelled and the premium paid shall be fully refunded. In such event, these Terms and Benefits shall be deemed to have been void from the Policy Effective Date and

the Company shall not be liable to pay any benefit.

3. Cancellation

After the cooling-off period, the Policy Holder can request cancellation of these Terms and Benefits by giving thirty (30) days prior written notice to the Company, provided that there has been no benefit payment under these Terms and Benefits during the relevant Policy Year.

The cancellation right under this Section shall also apply after these Terms and Benefits have been Renewed upon expiry of its first (or subsequent) Policy Year.

4. Benefit entitlement

If Eligible Expenses are incurred for Medical Services provided to the Insured Person, the Terms and Benefits applicable shall be those prevailing at the time that such Eligible Expenses are incurred. However, if this Policy has been terminated but Eligible Expenses incurred within a period of thirty (30) days after termination are covered pursuant to Section 15 of this Part 2, the Terms and Benefits applicable shall be those prevailing as at the day immediately preceding the date of termination of this Policy.

5. Assignment

The rights, benefits, obligations and duties of the Policy Holder under these Terms and Benefits shall not be assignable and the Policy Holder warrants that any amounts payable under these Terms and Benefits shall not be subject to any trust, lien or charge.

6. Clerical error

Clerical errors in keeping the records shall neither invalidate coverage which is validly in force nor justify continuation of coverage which has been validly terminated.

7. Currency

Any claim for Eligible Expenses made by the Insured Person in any foreign currency shall be converted to the currency denomination as specified in the Benefit Schedule of this Policy at the opening indicative counter exchange selling rate published by The Hong Kong Association of Banks in respect of that foreign currency for the date on which the claim is settled by the Company. If such rate is not available on the date concerned, reference shall be made to the rate as soon as it is available afterwards. If no such rate exists, the Company shall convert the foreign currency at the rate certified as appropriate by the Company's bankers which shall be deemed to be final and binding.

8. Interest

Save as otherwise specified, no benefit and expenses payable under these Terms and Benefits shall carry interest.

9. Company's obligation

The Company shall at all times perform its obligations in this Policy in utmost good faith and comply with the rules and regulations of VHIS, the relevant guidelines issued by the Insurance Authority, and all applicable laws and regulations.

10. Governing law

This Policy is issued in Hong Kong and shall be governed by and construed in accordance with the laws of Hong Kong. The Company and Policy Holder agree to be subject to the exclusive jurisdiction of the Hong Kong courts.

11. Dispute resolution

If any dispute, controversy or disagreement arises out of this Policy, including matters relating to the validity, invalidity, breach or termination of this Policy, the Company and Policy Holder shall use their endeavours to resolve it amicably, failing which, the matter may (but is not obliged to) be referred to any form of alternative dispute resolution, including but not limited to mediation or arbitration, as may be agreed between the Company and the Policy Holder, before it is referred to a Hong Kong court.

Each party shall bear its own costs of using services under alternative dispute resolution.

12. Liability

The Company shall not accept any liability under this Policy unless the terms of this Policy relating to anything to be done or not to be done are duly observed and complied with by the Policy Holder and the Insured Person, and the information and representations made in the Application and declaration are correct. Notwithstanding the above, the Company shall not disclaim liability unless any non-observance or non-compliance with the terms of this Policy, or the inaccuracy of the information and representations made in the Application and declaration, shall materially and adversely affect the interests of the Company.

13. Misstatement of personal information

Without prejudice to the Company's right to declare this Policy void in the case of misrepresentation on health related information or fraud as provided in Section 14 of this Part 2, if the non-health related information of the Insured Person that may impact the risk assessment by the Company (including but not limited to Age, sex or smoking habit) is misstated in the Application or in any subsequent information or document submitted to the Company for the purpose of the application, including any updates of and changes to such requisite information (if so requested by the Company under Section 8 of Part 1), the Company may adjust the premium, for the past, current or future Policy Years, on the basis of the correct information. Where additional premium is required, no benefits shall be payable unless the additional premium has been paid. If the additional required premium is not paid within a grace period of thirty-one (31) days after the due date as notified by the Company to the Policy Holder, the Company shall have the right to terminate this Policy with effect from such due date, in which case Section 15 of this Part 2 shall apply. Where there has been an overpayment of premium by the Policy Holder, the Company shall refund the overpaid premium.

Where the Company, based on the correct information of the Insured Person and the Company's underwriting guidelines, considered that the application of the Insured Person should have been rejected, the Company shall have the right to declare this Policy void as from the Policy Effective Date and notify the Policy Holder that no cover shall be provided for the Insured Person. In such circumstances, the Company shall have –

- (a) the right to demand refund of the benefits previously paid; and
- (b) the obligation to refund the premium received,

in each case for the current Policy Year only, subject to a reasonable administration charge payable to the Company. This refund arrangement shall be the same as that in Section 14 of this Part 2.

14. Misrepresentation or fraud

The Company has the right to declare this Policy void as from the Policy Effective Date and notify the Policy Holder that no cover shall be provided for the Insured Person in case of any of the following events –

- (a) any material fact relating to the health related information of the Insured Person which may impact the risk assessment by the Company is incorrectly stated in, or omitted from, the Application or any

statement or declaration made for or by the Insured Person in the Application or in any subsequent information or document submitted to the Company for the purpose of the application, including any updates of and changes to such requisite information (if so requested by the Company under Section 8 of Part 1). The circumstances that a fact shall be considered "material" include, but not limited to, the situation where the disclosure of such fact as required by the Company would have affected the underwriting decision of the Company, such that the Company would have imposed Premium Loading, included Case-based Exclusion(s), or rejected the application. For the avoidance of doubt, this paragraph (a) shall not apply to non-health related information of the Insured Person, which shall be governed by Section 13 of this Part 2; or

(b) any Application or claim submitted is fraudulent or where a fraudulent representation is made.

The burden of proving (a) and (b) shall rest with the Company. The Company shall have the duty to make all necessary inquiries on all facts which are material to the Company for underwriting purpose as provided in Section 8 or 9 of Part 1.

In the event of (a), the Company shall have –

- (i) the right to demand refund of the benefits previously paid; and
- (ii) the obligation to refund the premium received,

in each case for the current Policy Year only, subject to a reasonable administration charge payable to the Company.

In the event of (b), the Company shall have –

- (iii) the right to demand refund of the benefits previously paid; and
- (iv) the right not to refund the premium received.

15. Termination of Policy

This Policy shall be automatically terminated on the earliest of the followings –

- (a) where this Policy is terminated due to non-payment of premiums after the grace period as specified in Section 13 of this Part 2 or Section 3 of Part 3;
- (b) the day immediately following the death of the Insured Person; or
- (c) the Company has ceased to have the requisite authorisation under the Insurance Ordinance to write or continue to write this Policy;

If this Policy is terminated pursuant to this Section 15, the termination shall be effective at 00:00 hours of the effective date of termination.

Immediately following the termination of this Policy, insurance coverage under this Policy shall cease to be in force. No premium paid for the current Policy Year and previous Policy Years shall be refunded, unless specified otherwise.

Where this Policy is terminated pursuant to (a), the effective date of termination shall be the date that the unpaid premium is first due.

Where this Policy is terminated pursuant to (b) or (c), the Company shall refund the relevant premium paid for the current Policy Year on a pro rata basis.

This Policy shall also be terminated if the Policy Holder decides to cancel this Policy or not to renew

this Policy in accordance with Section 3 of this Part 2 or Section 1 of Part 4, as the case may be, by giving the requisite written notice to the Company. If this Policy is terminated under Section 3 of this Part 2, the effective date of termination shall be the date as stated in the cancellation notice given by the Policy Holder. However, such date shall not be within or earlier than the notice period as required by Section 3 of this Part 2 for the cancellation. If this Policy is not renewed under Section 1 of Part 4, the effective date of termination shall be the renewal date immediately following the expiry of the Policy Year during which this Policy remains valid.

If this Policy is terminated under (a) or (c) of this Section 15, in the case where the Insured Person is being Confined or is undergoing Prescribed Non-surgical Cancer Treatment for a Disability suffered before such termination, then, with respect to the Confinement or treatment in relation to the same Disability, Eligible Expenses incurred shall continue to be covered under this Policy until (i) the Insured Person is discharged or the treatment is completed or (ii) thirty (30) days after the termination of this Policy, whichever is the earlier. The Terms and Benefits applicable shall be those prevailing as at the day immediately preceding the date of termination of this Policy. The Company shall have the right to deduct any outstanding premium under Section 13 of this Part 2 from any benefit payment.

For the avoidance of doubt, where this Policy includes other additional benefits beyond those under the Terms and Benefits of this Certified Plan, removal or downgrading of any such other additional benefits by the Company shall not adversely affect –

- (d) the Terms and Benefits of this Certified Plan which shall continue to be in full force and effect; and
- (e) the continuity of these Terms and Benefits, and shall not adversely affect the Company's compliance with the licensing requirement in order to continue to write these Terms and Benefits.

16. Notices to Company

All notices which the Company requires the Policy Holder to give shall be in writing, or in other forms acceptable by the Company, addressed to the Company.

17. Notices from Company

Any notice to be given under this Policy shall be sent by post to the latest address of the Policy Holder as notified to the Company, or sent by email to the latest email address of the Policy Holder as notified to the Company. Any notice so served shall be deemed to have been duly received by the Policy Holder as follows –

- (a) if sent by post, two (2) working days after posting; or
- (b) if sent by email, on the date and time transmitted.

18. Other insurance coverage

If the Policy Holder has taken out other insurance coverage besides this Certified Plan, the Policy Holder shall have the right to claim under any such other insurance coverage or this Certified Plan. However, if the Policy Holder or the Insured Person has already recovered all or part of the expenses from any such other insurance coverage, the Company shall only be liable for such amount of Eligible Expense, if any, which is not compensated by any such other insurance coverage.

19. Ownership and discharge under this Policy

The Company shall treat the Policy Holder as the absolute owner of this Policy and shall not recognise any equitable or other interest of any other party in this Policy. The payment of any benefits hereunder to the Policy Holder shall be deemed to be full and effective discharge of the Company's obligations in respect of such payment under this Policy.

20. Change of ownership of the Policy

Subject to the approval of the Company at its discretion, the Policy Holder may transfer the ownership of this Policy by completing the prescribed form and sending it to the Company. The Company shall consider application of transfer of ownership at the time of Policy renewal without any administration charge on the Policy Holder or transferee. The change of ownership shall not be effective until the Company has approved the change and notified in writing to the Policy Holder and transferee. From the effective date of the change of ownership, the transferee shall be treated as the Policy Holder, and the absolute owner of this Policy as described in Section 19 of this Part 2 and be responsible for the payment of the premiums, including any outstanding premiums.

The Company shall not reject any application by the Policy Holder for the transfer of ownership to –

- (a) the Insured Person if he has reached the Age of eighteen (18) years;
- (b) the parent or the Guardian of the Insured Person if he is a Minor; or
- (c) any person whose familial relationship with the Insured Person is accepted by the Company according to its prevailing underwriting practices which are readily accessible by the Policy Holder.

21. Death of Policy Holder

The Policy Holder may nominate a person to be the successive Policy Holder of this Policy in the event of his death. If the Policy Holder dies, but has not named a successive Policy Holder for this Policy or the named successive Policy Holder refuses the transfer, the ownership of this Policy shall be transferred to –

- (a) the Insured Person if he has reached the Age of eighteen (18) years; or
- (b) the parent or the Guardian if the Insured Person is a Minor. If the parent or the Guardian refuses the transfer, the ownership of this Policy shall be transferred to the administrator or executor of the Policy Holder's estate.

The transfer of ownership of this Policy in accordance with the above paragraph shall be conditional upon the Company having received satisfactory evidence of the Policy Holder's death.

22. Rights of third parties

Any person or entity who is not a party to this Policy shall have no rights under the Contracts (Rights of Third Parties) Ordinance (Cap. 623 of the Laws of Hong Kong) to enforce any terms of this Policy.

23. Subrogation

After the Company has paid a benefit under this Policy, the Company shall have the right to proceed at its own expense in the name of the Policy Holder and/or the Insured Person against any third party who may be responsible for events giving rise to such benefit claim under this Policy. Any amount recovered from any such third party shall belong to the Company to the extent of the amount of benefits which has been paid by the Company in respect of the relevant benefit claim under this Policy. The Policy Holder and/or the Insured Person must provide full details in his possession or within his knowledge on the fault of the third party and fully cooperate with the Company in the recovery action. For the avoidance of doubt, the above subrogation right shall only apply if the third party is not the Policy Holder or the Insured Person.

24. Suits against third parties

Nothing in this Policy shall oblige the Company to join, respond to or defend (or indemnify in respect of the costs for) any suit or alternative dispute resolution process for damages for any cause or reason

which may be instituted by the Policy Holder or the Insured Person against any Registered Medical Practitioner, Hospital or healthcare services provider, including but not limited to any suit or alternative dispute resolution process for negligence, malpractice or professional misconduct or any other causes in relation to or arising out of the medical investigation or treatment of the Disability of the Insured Person under the terms of this Policy.

25. Waiver

No waiver by any party of any breach by any other party of any provisions of this Policy shall be deemed to be a waiver of any subsequent breach of that or any other provision of this Policy, and any forbearance or delay by any party in exercising any of its rights under this Policy shall not be construed as a waiver of such rights. Any waiver shall not take effect unless it is expressly agreed, and the rights and obligations of the Company and Policy Holder under this Policy shall remain in full force and effect except and only to the extent that they are waived.

26. Compliance with law

If this Policy is or becomes illegal under the law applicable to the Policy Holder or the Insured Person, the Company shall have the right to terminate this Policy from the date it becomes illegal and the Company shall refund the relevant premium paid for the Policy Year in which this Policy is terminated, on a pro rata basis.

27. Personal data privacy

The Company shall comply with the Personal Data (Privacy) Ordinance (Cap. 486 of the Laws of Hong Kong) and the related codes, guidelines and circulars.

Part 3 Premium Provisions

1. Premium payable

The premium payable for these Terms and Benefits shall only include –

- (a) the Standard Premium according to the prevailing Standard Premium schedule adopted by the Company; and
- (b) the Premium Loading, if applicable.

2. Payment of premiums

The amount of premium payable is specified in the Policy Schedule and/or the notification of Renewal as specified in Section 3 of Part 4. The premium, whether paid for a Policy Year or by instalment as agreed by the Company, shall be paid in advance when due before any benefits shall be paid. Premium once paid shall not be refundable, unless otherwise specified in this Policy.

Premium due dates, Renewal Dates and Policy Years are determined with reference to the Policy Effective Date as stated in the Policy Schedule and/or the notification of Renewal as specified in Section 3 of Part 4. The first premium is due on the Policy Effective Date.

3. Grace period

The Company shall allow a grace period of thirty-one (31) days after the premium due date for payment of each premium. This Policy shall continue to be in effect during the grace period but no benefits shall be payable unless the premium is paid. If the premium is still unpaid in full at the expiration of the grace period, this Policy shall be terminated immediately on the date on which the unpaid premium is first due.

Part 4 Renewal Provisions

These Terms and Benefits shall be effective from the Policy Effective Date in consideration of the payment of premium and is Renewable for each Policy Year in accordance with the terms of this Part 4. Renewal is guaranteed up to the Age of one hundred (100) years of the Insured Person.

1. Renewal

The Company shall Renew these Terms and Benefits in accordance with (a) to (c) below –

- (a) Unless the Company has ceased to have the requisite authorisation under the Insurance Ordinance to write these Terms and Benefits, or has ceased to maintain its registration with the Government as a VHIS provider, or the Policy Holder decides not to Renew these Terms and Benefits by giving the Company not less than thirty (30) days prior notice in writing in accordance with Section 3 of Part 2, Renewal shall be arranged automatically with the Terms and Benefits no less favourable than the latest version of the Standard Plan Terms and Benefits published by the Government at the time of Renewal, save for the exceptions in Section 7 of Part 1, Sections 1(b) and 5 of Part 6 and any other exceptions as may be approved by the Government from time to time.
- (b) At the time of Renewal, if the Company shall cease or has ceased to maintain its registration with the Government as a VHIS provider while maintaining the requisite authorisation under the Insurance Ordinance to write these Terms and Benefits, Renewal shall be arranged automatically with the Terms and Benefits no less favourable than the latest version of the Standard Plan Terms and Benefits published by the Government at the time when the Company ceased to maintain its registration as a VHIS provider, save for the exceptions in Section 7 of Part 1, Sections 1(b) and 5 of Part 6 and any other exceptions as may be approved by the Government from time to time.
- (c) After the Company has ceased to maintain its registration with the Government, if the Company subsequently re-registers with the Government as a VHIS provider, then at the Renewal Date coinciding with or immediately following such re-registration, these Terms and Benefits shall be Renewed with the Terms and Benefits no less favourable than the latest version of the Standard Plan Terms and Benefits published by the Government at the time of the Renewal, save for the exceptions in Section 7 of Part 1, Sections 1(b) and 5 of Part 6 and any other exceptions as may be approved by the Government from time to time.

At the time of Renewal under (a) to (c) above (as the case may be), any other revision of these Terms and Benefits by the Company shall be made on an overall Portfolio basis and shall not have the effect of contravening (a), (b) or (c) above (as applicable) or reducing the benefit limits or increasing the Coinsurance or Deductible of these Terms and Benefits which are applicable prior to Renewal.

2. Adjustment of premium

Irrespective of whether the Company revises these Terms and Benefits upon Renewal, the Company shall have the right to adjust the Standard Premium according to the prevailing Standard Premium schedule adopted by the Company on an overall Portfolio basis. For the avoidance of doubt, if the Premium Loading is set as a percentage of the Standard Premium (i.e. rate of Premium Loading), the amount of Premium Loading payable shall be automatically adjusted according to the change in Standard Premium.

During each Policy Year and upon Renewal, the Company shall not impose any additional rate of Premium Loading (or any additional amount of Premium Loading if the Premium Loading is set in monetary terms rather than as a percentage of the Standard Premium) or Case-based Exclusion(s) on the Insured Person by reason of any change in the Insured Person's health conditions.

3. Notification of Renewal

Irrespective of whether the Company revises these Terms and Benefits upon Renewal, the Company shall in accordance with the terms of this Section 3 give the Policy Holder a written notice of the revised Terms and Benefits to the Policy Holder of not less than thirty (30) days prior to the Renewal Date.

The written notice shall specify the premium for Renewal and Renewal Date. If the Company revises these Terms and Benefits upon Renewal, the Company shall make available the revised Terms and Benefits to the Policy Holder together with the written notice. The revised Terms and Benefits and premium for Renewal shall take effect on the Renewal Date.

4. No re-underwriting except in limited circumstances

While these Terms and Benefits are in force, the Company shall not have the right to re-underwrite these Terms and Benefits irrespective of any change in health conditions of the Insured Person after the Policy Issuance Date or the Policy Effective Date, whichever is the earlier.

The Company shall not have the right to re-underwrite these Terms and Benefits irrespective of any change in these Terms and Benefits (as permitted under Section 1 of this Part 4). This restriction applies to any change including but not limited to where there is any upgrade or downgrade of any benefits, or any addition or removal of any benefits, as permitted under these Terms and Benefits, regardless of where they are set out in these Terms and Benefits.

The Company shall have the right to re-underwrite these Terms and Benefits only under the following circumstances –

- (a) Where the Policy Holder requests the Company to re-underwrite these Terms and Benefits at the time of Renewal for reduction in Premium Loading or removal of Case-based Exclusion(s) according to the Company's underwriting practices. For the avoidance of doubt, the Company shall not have the right to terminate or not to Renew these Terms and Benefits if any of the aforesaid requests is rejected by the Company or the re-underwriting result is not accepted by the Policy Holder;
- (b) At any time where the Policy Holder requests to subscribe additional benefits (if any) or switch to another insurance plan which provides upgrade or addition of benefits (in which cases the re-underwriting shall be limited to such upgrade or additional benefits).
 - (i) However, at any time where the Policy Holder requests to unsubscribe the additional benefits (if any) in these Terms and Benefits, or switch to another insurance plan which provides downgrade or reduction of benefits, the Company shall not have the right to re-underwrite these Terms and Benefits but shall have the discretion to accept or reject the request according to its prevailing practices in handling similar requests; and
 - (ii) The Company shall not have the right to terminate or not to Renew these Terms and Benefits if any of the aforesaid requests is rejected by the Company or the re-underwriting result is not accepted by the Policy Holder;
- (c) Where there is change in the Place of Residence of the Insured Person

At Renewal, the Company shall have the right to re-underwrite these Terms and Benefits due to a change in the Place of Residence of the Insured Person provided that –

- (i) The Company has taken into account the Place of Residence of the Insured Person in underwriting these Terms and Benefits before its inception;
- (ii) The Company has specifically informed the Policy Holder of the consideration at the time of submission of Application of these Terms and Benefits and that any change in the Place of Residence could lead to re-underwriting upon Renewal;

- (iii) The Company has maintained underwriting practices which show unambiguously how changes in the Place of Residence will affect the underwriting result, and the underwriting practices are readily accessible by the Policy Holder;
- (iv) The Company shall carry out the re-underwriting solely in respect of the said changes (i.e. the change in the Place of Residence of the Insured Person); and
- (v) The re-underwriting result may be more advantageous or adverse to the Policy Holder and the Insured Person.

For the purpose of this paragraph (c), the Company shall have the obligation to request the Policy Holder to inform the Company of any change in the Place of Residence of the Insured Person, which means that as at the Renewal Date his Place of Residence differs from that as at the last Renewal Date (or the Policy Effective Date in the event of first Renewal). After receiving the request, the Policy Holder shall have the obligation to inform the Company of such a change.

- (d) Where there is change in the occupation of the Insured Person

At Renewal, the Company shall have the right to re-underwrite these Terms and Benefits due to a change in the occupation of the Insured Person provided that –

- (i) The Company has taken into account the occupation of the Insured Person in underwriting these Terms and Benefits before its inception;
- (ii) The Company has specifically informed the Policy Holder of the consideration at the time of submission of Application of these Terms and Benefits and that any change in the occupation could lead to re-underwriting upon Renewal;
- (iii) The Company has maintained underwriting practices which show unambiguously how changes in the occupation will affect the underwriting result, and the underwriting practices are readily accessible by the Policy Holder;
- (iv) The Company shall carry out the re-underwriting solely in respect of the said change (i.e. the change in the occupation of the Insured Person); and
- (v) The re-underwriting result may be more advantageous or adverse to the Policy Holder and the Insured Person.

For the purpose of this paragraph (d), the Company shall have the obligation to request the Policy Holder to inform the Company of any change in occupation of the Insured Person, which means that as at the Renewal Date his occupation differs from that as at the last Renewal Date (or the Policy Effective Date in the event of first Renewal). After receiving the request, the Policy Holder shall have the obligation to inform the Company of such a change.

The Company and Policy Holder acknowledge that –

- (e) if under the terms of this Part 4, the Company has the right, or is required, to re-underwrite these Terms and Benefits based on certain factors at Renewal, the Company shall, in accordance with the terms of this Part 4 and its prevailing underwriting guidelines, take into account only such relevant factors to carry out the re-underwriting; and
